To allow us to ensure correct staffing ratios are available, we ask parents to send a request in writing to the office for any additional hours. We ask for one week's notice for a one-off request; and one month's notice for a permanent change.

Please note that the funded hours can only be increased at the beginning of each term.

You must reconfirm your eligibility on the government website every three months. If you do not reconfirm, your funded hours will stop and you will need to pay for any additional hours.
